

"It's A Ming Thing" – Month 2

This month you will complete the second vase stitchery.

You Will Need:

The large plain white fabric panel from last month

Royal blue embroidery floss. We used DMC 797

Water soluble pen for marking designs on fabric

Stitchery:

Print off the attached stitchery design, and using your erasable marking pen, trace the vase design onto the top left corner of the large white fabric panel. (The panel is slightly wider than high.)

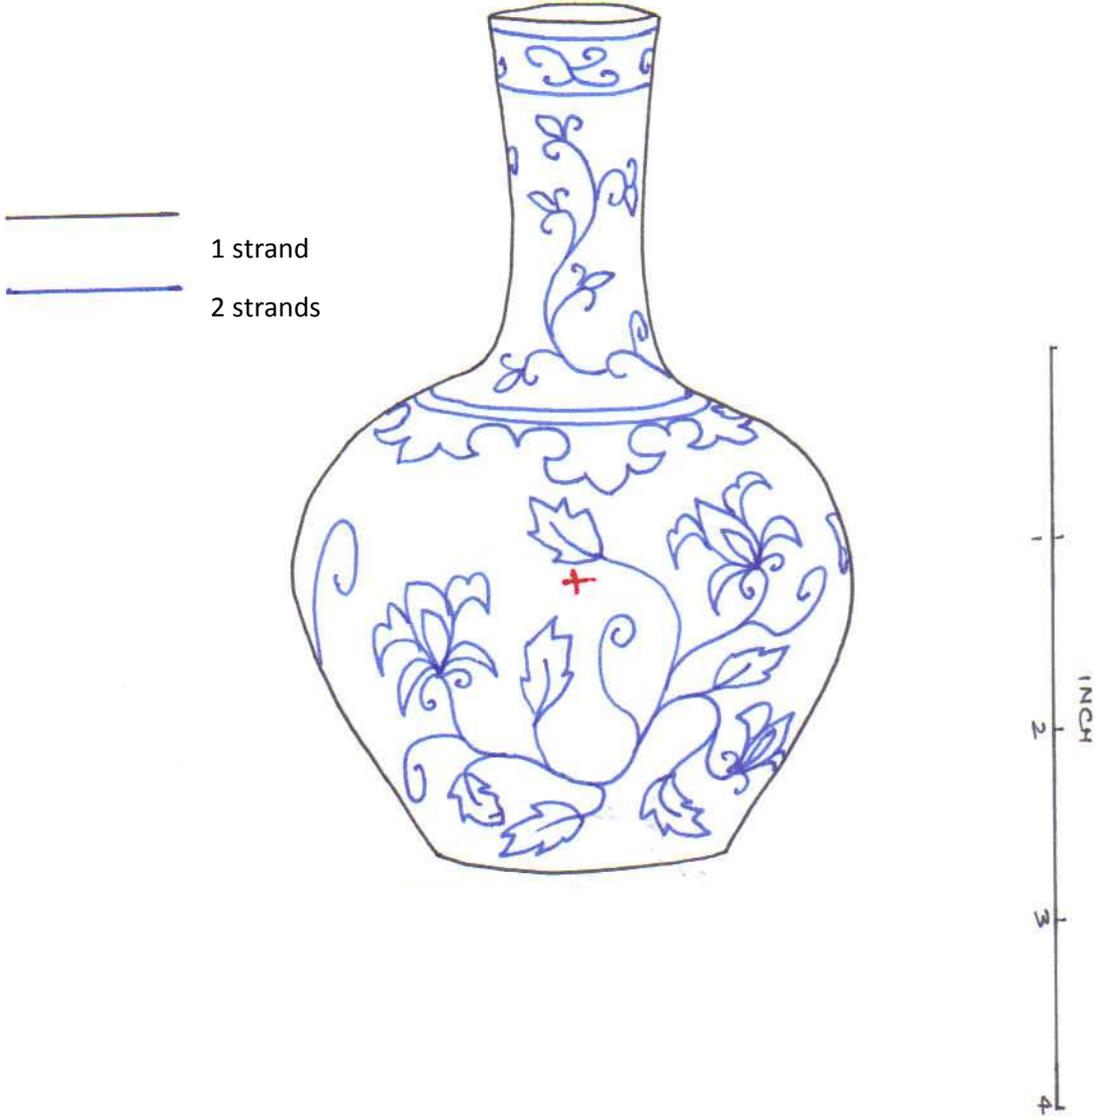

Measure 8 inches down from the top and measure 3½ inches in from the left hand edge and mark with a dot. This point is shown with the small red cross on the stitchery design template.

The vase outline (marked in black on the design) is stitched with one thread of your blue floss. The remainder (blue lines) are worked with two strands of thread, in backstitch or stem stitch as you wish.

Wash out the marking pen, dry and press well, and put aside for Month 5.

Next Month, you will stitch the next vase.
