

"Fire and Ice" Quilt – Month 2

This month you will piece the second set of 8 blocks.

You will need:

Fabric in blue colours 3, 6, 7 and 8

Red fabric

Orange fabric

Yellow fabric

Lemon fabric

There are 8 of these pieced Star Puzzle blocks to make this month. Five are completely in the blue colourway, and the other three have the bright fire colours incorporated as well. The finished size of all blocks is 9 inches, although they should be 9 ½ inches until all joined together.

Refer to the following rotary cutting guide for this block, and also the separate images of the bright coloured blocks. Piece each block with ¼ inch seams and press well and put aside until Month 7.
